

# NEW CHROME!!

Until now it was unavaliable .....but now we can chrome almost anything. From masks to vending machines, Anything is do-able. Described as the "BEST" new product at laapa, This system encases silver between two layers of paint. Giving the fabricator a finish that was unavailable a year ago!

Check out our all new system that works extremely well over our coatings! It is easy to use and a very inexpensive product. Call today for more info and pricing!
